MEDICINAL.

FOR OLD PEOPLE!

In old people the nervous system is weakened, and that must be strengthened. One of the most prominent medical writers of the day, in speaking of the prevalence of rheumatic troubles among the aged, says: "The various pains, rheumatic or other, which old people often complain of, and which materially disturb their comfort, result from disordered nerves." There it is in a nutshell—the medicine for old people must be a nerve tonic. Old people are beset with constipation, flatulency, drowsiness, diarrhoea, indigestion, rheumatism, neuralgia. These diseases are of nervous origin. Paine's Celery Compound, that great nerve tonic, is almost a specific in these disorders, and by its regulating influence on the liver, bowels, and kidneys, removes the disorders peculiar to old age. Old people find it stimulating to the vital powers, productive of appetite, and a promoter of digestion.

Sold by druggists. \$1.00. Six for \$5.00. Send for eight-page paper, with many testimonials from nervous, debilitated, and aged people, who bless Paine's Celery Compound.

The Woman and the Rattler.

On portions of the sombre Shawangunk Mountains, miles away from settlements and where luscious blackberries grow, rattlesnakes have been found for many years past, and this summer they seem to be more numerous than usual in two or three localities. The Shawangunk rattler is a gamy snake, and rarely, if ever, turns tail even in the face of desperate odds. During the past two weeks huckleberry pickers report having had some lively encounters, though nobody has been seriously hurt. Occasionally a rattler will crawl to a village and make itself at home in somebody's door yard. An instance
